*Pre-Registration is Required. Cost: \$75 (USD).*

New Zealand has a unique bicultural history and approach to government. You have likely seen the world champion All Blacks perform a haka at the start of a rugby game. Have you ever wondered about the history and culture that lies behind that tradition as well as everyday life in New Zealand? The Rukuhia Global Leadership Programme was developed with Ngāti Whātua Ōrākei, a Māori tribe based in Auckland, so that international students can learn about Māori culture and values. Join this interactive day-long program at the Ngāti Whātua Ōrākei marae (ancestral grounds) to be welcomed to New Zealand in the tradition of its first inhabitants and learn about the Māori vision of values-based leadership, innovation, sustainability and the connection of people, place and environment.

Goldie Estate is the name of our boutique vineyard and winery, nestled amongst 30 acres of native bush and rolling vineyards on Waiheke Island overlooking Putiki By. It's here that we create handcrafted wines full of character that draw on the knowledge and experience of Kim and Jeanette Goldwater, who founded winegrowing on Waiheke in 1978.

The Estate is also home to the University of Auckland's [Wine Science Centre](#), which aims to continue the innovative spirit of the Goldwater family. The programme provides a unique learning experience for the students to be immersed in a fully operational winery.
