**GIC Statement Regarding COVID-19 (Coronavirus)**

The Global Internship Conference (GIC) is closely monitoring the impact of COVID-19 (Coronavirus) and regularly reviewing guidelines from The British Columbia Centre for Disease Control, Health Canada, and The Centers for Disease Control and Prevention.

At this point we are confident our 2020 Conference will move forward as planned and look forward to welcoming you to Vancouver, June 9-12, for a robust set of discussions and presentations to explore the theme *Internship Ability: Accessibility, Scalability, Sustainability.*

We will provide periodic updates, bearing in mind the health and safety of our conference participants and host community. If you have questions in the meantime, please do reach out.
